WORK EXPERIENCE

LECTURER AND RESEARCHER

Prague University of Economics and Business

2021 – Present 📍 Prague, CZE

I am involved in teaching and research in economic policy and macroeconomic analysis. I serve as a principal investigator on research grants and carry out contract research, including past cooperation with HSBC CR, the Czech Energy Alliance, and the Ministry of Industry and Trade of the CR. I have presented my work at academic conferences in the CR and abroad. I am also involved in coordinating professional internships and have contributed to the development of doctoral study programs.

Courses taught (in English and Czech):

Macroeconomic Analysis; Monetary Policy and the Business Cycle; Applied Econometrics; Introduction to Economic and Social Policy; The European Union and Its Policies.

MACROECONOMIST | ECONOMIC ANALYST

Independent professional activity

2023 – Present 📍 Prague, CZE

I focus on macroeconomic and sectoral analyses, working with macroeconomic data and econometric models to produce forecasts and analytical conclusions.

I regularly appear in the media and participate in expert seminars and discussions, including at the Chamber of Deputies and the Senate of the Parliament of the CR.

My analytical focus includes macroeconomic developments, inflation, labour market, fiscal and monetary policy, foreign trade, the balance of payments, exchange rate developments, and related areas.

ADVISOR TO THE MINISTER OF FINANCE OF THE CZECH REPUBLIC

Ministry of Finance of the Czech Republic

2026 – Present 📍 Prague, CZE

I provide expert advice in the field of macroeconomic analysis and economic policy, with a focus on supporting strategic decision-making at the Ministry of Finance of the Czech Republic. In this role, I engage in analytical and consulting work and prepare economic reports.
